

## 2935 – NON-EMERGENCY TRANSPORTATION BROKER SYSTEM

<b>POLICY STATEMENT</b>	The Medicaid Non-Emergency Transportation (NET) program provides transportation through a NET Broker System. Non-emergency transportation is provided only in the absence of other transportation.
<b>BASIC CONSIDERATIONS</b>	Five NET regions have been established in the state – North, Atlanta, Central, East and Southwest. DMA has contracted with a Broker in each of the five NET regions to administer and provide non-emergency transportation for eligible Medicaid recipients. The Brokers are reimbursed a monthly capitation rate for each Medicaid recipient residing in their region.
<b>PROCEDURES</b>	<p>Medicaid recipients who need access to medical care or services covered by Medicaid and have no other means of transportation must contact the Broker servicing their county to arrange for appropriate transportation.</p> <p>Each Broker is required to maintain toll free telephone access for transportation scheduling services Monday through Friday from 7:00 a.m. to 6:00 p.m.</p> <p>DMA has contracted with three companies to provide Broker services. <b>Southeastrans, Inc.</b>, serves the Atlanta Region, North Region and Central Region; <b>LogistiCare</b> the East Region; and <b>Southwest Georgia Regional Development Center</b> the Southwest region. County groupings and related Broker scheduling telephone numbers for each region are as follows:</p>
