

2220 - ENUMERATION

POLICY STATEMENT	Each Assistance Unit (AU) member must provide or apply for a Social Security Number (SSN) in order to receive Medicaid.
BASIC CONSIDERATIONS	<p>Enumeration is the process by which a SSN is obtained and validated.</p> <p>SSNs are used to secure information from other sources to achieve the following:</p> <ul style="list-style-type: none">• complete reviews necessitated by federal benefit changes• discover unreported income or resources• prevent duplicate benefits• verify reported information. <p>An attempt should be made to obtain the SSNs of non-AU individuals whose income and/or resources are considered in determining eligibility. Clearly state that the provision of the SSN by non-AU members is voluntary and explain what the SSN will be used for, as defined above.</p> <p>Eligibility is not adversely affected if the applicant fails to furnish the SSN of a non-AU individual unless questionable/conflicting income information can be resolved only with the SSN. This should be a rare occurrence. A case may not be closed solely for the failure to provide the SSN of a non-AU member.</p> <p>NOTE: Benefits will not be denied during the application for, or the validation of, a SSN.</p> <p>Refusal to be enumerated without Good Cause results in denial of Medicaid coverage for the non-enumerated AU member.</p> <p>EXCEPTION: Enumeration is not required for Emergency Medical Assistance (EMA) and Newborn Medicaid COAs.</p> <p>The A/R's verbal or written statement of the SSN, intent to apply or that s/he has applied for the SSN of an AU member meets the enumeration requirement. If the A/R's statement of intent to apply or that s/he has applied for a SSN is accepted (not questionable), follow-up is required in the third month after the month of approval. If the SSN or verification of an application for a SSN is not received within 30 days of the follow-up request, the individual is not eligible for Medicaid unless Good Cause is established. Refer to Good Cause and Chart 2220.2 in this Section.</p>

BASIC

CONSIDERATIONS

(cont.)

TMA/4MEx	A Parent/Caretaker with Child(ren) Medicaid AU member who complied with the enumeration requirement by agreeing to apply for a SSN or by establishing Good Cause is no longer required to comply following approval for TMA or 4MEx.
Newborn Medicaid and EMA	Compliance with the enumeration process is not required for Newborn Medicaid, Family Medicaid EMA and ABD EMA.
Good Cause	<p>Good Cause may be established for failure to meet the enumeration requirement. Refusal to meet the requirement without Good Cause results in an automatic determination of non-compliance.</p> <p>Good Cause is established when it is determined that the AU member has made every effort to obtain a SSN but has been unsuccessful. The agency must make every effort to assist the AU in obtaining documents needed to complete the enumeration process.</p> <p>Good Cause includes, but is not limited to the following:</p> <ul style="list-style-type: none"> • documentary evidence or collateral information that the AU member has applied for a SSN and has not yet been issued a number • the inability of the AU to obtain the necessary documents required by the Social Security Administration (SSA). Example: inability to obtain a birth certificate. <p>Good Cause does NOT include the following:</p> <ul style="list-style-type: none"> • lack of transportation • temporary absence from the home • age/illness/infirmity <p>NOTE: The eligibility worker must provide assistance to the A/R in obtaining information required to meet the enumeration requirement.</p>
