

2610 - MAGI BUDGET GROUPS/ASSISTANCE UNITS

**POLICY
STATEMENT**

The Family Medicaid MAGI Assistance Unit (AU) includes individuals for whom health coverage is requested and for whom Medicaid coverage is available.

The Family Medicaid MAGI Budget Group (BG) consists of tax filers and their tax dependents, or non tax filers and in their home their spouses, children under the age of 19 (natural, biological adopted or step), and for children under the age of 19, natural, biological, adopted and step parents, and natural, biological, adopted and step siblings under the age of 19. The BG also includes any unborn child of an individual included in the BG whom is pregnant.

The Family Medicaid Non MAGI Budget group (BG) consists of specified relative relations. Refer to Section 2620 Non Magi Groups/Assistance Units.

**BASIC
CONSIDERATIONS**

Certain individuals living/not living in the home are included in the eligibility determination for the MAGI AU members. These individuals as well as all the MAGI AU members comprise the MAGI Budget Group (BG).

In all Medicaid Classes of Assistance (COAs), only the AU members receive Medicaid upon approval of the application.

**Budget Group
Composition
(Tax Filers)**

The BG for tax filers consists of the following individuals:

- the tax filer
- all persons whom the tax filer expects to claim as a tax dependent, who does not expect to be claimed as a tax dependent by another tax filer.
- his/her spouse even if not filing jointly
- any unborn child of an individual included in the BG whom is pregnant.

**Budget Group
Composition
(Non Tax Filers)**

The budget group for non tax filers consists of the following individuals that live in the home:

- the individual
- the individual's spouse
- the individual's biological/natural, adopted and step child(ren) under the age of 19
- for any child under the age of 19, include that child's biological/natural, adopted and step parents and biological/natural, adopted and step sibling(s) under the age of 19.
- any unborn child of an individual included in the BG whom is pregnant.

The BG size determines the net taxable income limit(s) for a MAGI Family Medicaid COA. The taxable incomes of all individuals, that would be required to file a tax return regardless if they actually file a tax return or not, in the BG are used to determine eligibility.

**BASIC
CONSIDERATIONS**

**Budget Group
Composition
(cont.)**

Exception: MAGI Medicaid does not include taxable income of a child in the BG when the total taxable amount is below the allowable IRS dependent exemption amount regardless if the child is required to file a tax return and/or if they do file a tax return. The dependent exemption amount is established by IRS yearly and is set each January for the previous tax year. The dependent exemption will be used for the current MAGI Medicaid year.

2012 amount was \$3,800, and will be used for MAGI Medicaid for all of 2013.

2013 amount was \$3,900, and will be used for MAGI Medicaid for all of 2014.

Filing a tax return and filing for a tax refund are not the same.

If a pregnant woman requests or receives Medicaid, the unborn child is included in the BG for the case, regardless of COA.

The BG size is increased accordingly, in Presumptive Eligibility (PE) Pregnancy Medicaid and Pregnant Woman Medicaid per her statement only, no medical verification is requested.

The BG size, for all other Modified Adjusted Gross Income (MAGI) Medicaid Class of Assistance (COA), is increased accordingly if it is medically verified that the pregnant woman is carrying more than one fetus. If the AU is eligible without including the multiple fetuses, do not request verification. The case should be approved without delaying for returned verification. If verification of multiple fetuses is needed but not returned, the case should be processed with only one fetus in the BG.

NOTE: Do not refer to the Department of Public Health (DPH) for medical verification. DPH is not medically equipped to medically verify the expected births.

NOTE: Active MAGI Medicaid cases will be updated with the report of pregnancy. Do not change the MAGI COA to Pregnant Women Medicaid unless they are penalized and not actively receiving Medicaid in the AU.

- any unborn child of an individual included in the BG whom is pregnant

Step 4 Exclude the following individuals from the Medicaid AU, but **include** them in the MAGI and Non MAGI Medicaid BG:

- an adult who fails to cooperate with the Division of Child Support Services (DCSS) or Third Party Liability (TPL) requirements
