DFCS does not process PCK eligibility.</p> <p>PCK is included in all CMDs, and should be considered before Family Medicaid Medically Needy for ongoing benefits.</p> <p>PSI screens all PCK applications for Medicaid eligibility. An application received for a child who is potentially eligible for Medicaid is returned to the RSM Project or county DFCS office for RSM approval.</p>
OTHER CONSIDERATIONS	<p>A Care Maintenance Organization (CMO) and a primary care physician must be selected for children eligible for PCK. This may be done after approval.
