

## 2065 – FAMILY MEDICAID APPLICATION PROCESSING

<b>POLICY STATEMENT</b>	The Family Medicaid application process begins with the request for medical assistance and ends with notification to the Assistance Unit (AU) of its eligibility status.
<b>BASIC CONSIDERATIONS</b> <b>Order of Eligibility</b>	<p>Family Medicaid eligibility is determined in the following order:</p> <ul style="list-style-type: none"> <li>• Newborn</li> <li>• LIM</li> <li>• other Family Medicaid COAs based on LIM eligibility criteria, i.e., TMA, 4MCS</li> <li>• RSM</li> <li>• PeachCare for Kids</li> <li>• Family Medicaid Medically Needy.</li> </ul> <p><b>NOTE:</b> Medicaid eligibility for a child in foster care is determined first under the IV-E FC program. If ineligible under IV-E FC, Medicaid eligibility is determined under CWFC Medicaid. Refer to Chapter 2800, Assistance to Children in Placement.</p>
<b>Application Requirements</b>	<p>A Medicaid application is defined as any one of the following:</p> <ul style="list-style-type: none"> <li>• Form 297</li> <li>• SUCCESS Application for Assistance (AFA)</li> <li>• PeachCare for Kids application</li> <li>• Internet Medicaid application</li> <li>• Low Income Subsidy Application – SSA 1020B (LISA- application for Medicare Part D subsidy- may be used for any Medicaid COA)</li> <li>• Form 222</li> <li>• Form 94</li> <li>• Form 700</li> <li>• Form DMA632W- Women’s Health Medicaid Application</li> </ul> <p>A completed application consists of a signed (not typed name on signature line) application with information sufficient to contact the applicant or personal representative (PR). Any information that is missing, incomplete or otherwise unclear may be obtained from the applicant or PR after the signed application is received and logged by the agency.</p>

**BASIC  
CONSIDERATIONS  
(cont.)**

**Application  
Requirements (cont.)**

A new signed application is required in the following situations:

- When completing an add a program for a BG member who is now requesting Medicaid and had not requested coverage for him/herself on the last application filed.
- An application was previously correctly denied due to failure to provide required verification. A/R wants to reapply in a subsequent month for ongoing benefits. Although the application date of the first application is protected, the A/R should sign another application unless there is good cause for not initially providing the verification.
- An application was previously correctly denied for not meeting a basic or financial eligibility criteria. A/R now meets the criteria and wants to reapply for ongoing benefits. Have the A/R complete and sign another application.
- An A/R applied for him/herself and children, but the case trickled to a lower COA. A change then occurs that would make him/her eligible.

A new application is NOT required in the following situations:

- If the system denies the application because the worker has not acted timely on the case.
- If the A/R is already a Medicaid recipient and is changing to another COA, or a continuing Medicaid determination (CMD) is being completed.

**NOTE:** Homeless AUs are **NOT** required to provide a physical address, but must provide sufficient information to establish Georgia residency. The applicant's statement is acceptable unless conflicting information is known to the agency.

**Application  
Screening**

Screen the application to determine the following:

- current receipt of the benefits for which the AU is applying
- current receipt of other benefits.

**Interview  
Requirements**

A face-to-face (FTF) interview is **not** required for any Medicaid COA. At the eligibility worker's (EW) discretion or the request of the A/R or PR, a FTF interview may be scheduled, however an application may **not** be denied for failure to appear for an interview.

A telephone interview **is** required for ABD institutional COAs. Refer to [Section 2060](#), ABD Application Processing.

**BASIC  
CONSIDERATIONS  
(cont.)****Interviewing  
Requirements  
(cont.)**

The A/R is considered to be the primary source of information. The A/R may authorize a PR to apply and provide information on his/her behalf, however, because the A/R is considered the best source of information, every attempt should be made to obtain necessary information from the A/R. If information provided by a PR is questionable or unclear, attempt to contact the A/R for clarification, unless contact with the A/R is precluded by physical or mental limitations.

Information necessary to complete an eligibility determination may be obtained by any of the following methods:

- FTF interview

**NOTE:** A FTF interview may **not** be required of the A/R or PR and an application may **not** be denied solely for failure to complete a FTF interview.

- telephone call
- mail
- home visit
- facsimile
- e-mail

**Application  
Processing Standards**

Observe the following standards in processing Family Medicaid applications.

- Accept the signed application on the day the application is received by the agency.
- Register the application date as the date the application was received by the agency. The application must be registered within **24 hours** of receipt by the agency.
- If the A/R or PR is not interviewed on the same day an application is filed and additional information is required, contact the A/R and/or PR within a reasonable timeframe to obtain the information necessary to complete the application.

**BASIC  
CONSIDERATIONS  
(cont.)**

**Application Processing  
Standards (cont.)**

- If verification or additional information is required, complete a verification checklist and mail or give to the A/R or PR. Establish a reasonable deadline for returning requested verification. Refer to 2065-6 for situations requiring verification.
- If the A/R or PR fails to meet the deadline for providing additional information, attempt to contact the A/R or PR to assess the need for an extension of the deadline or the possibility of assisting in obtaining required verification.  
  
**NOTE:** Do **not** deny an application for failure to provide verification if the verification can be obtained by the EW.
- Deny an application at the first point ineligibility is established. Do **not** leave a case pending in anticipation of the A/R becoming eligible at a future date beyond the ongoing benefit month.
- Do **not** deny an application solely because the SOP has been reached and eligibility cannot yet be determined.
- Deny an application before the SOP if the A/R or PR fails to cooperate in the application process or fails to supply necessary information that s/he is capable of obtaining and DFCS has no direct means of obtaining.

**BASIC  
CONSIDERATIONS****Other Information  
Requirements**

Explain the following information to the A/R and/or PR:

- services provided by DFCS and how to obtain those services
- requirements of eligibility and the A/R's responsibility to provide correct information to establish eligibility
- HIPAA and confidentiality
- basic and financial eligibility requirements
- Clearinghouse requirements for any AU/BG member over 16
- Databroker requirements for any AU/BG member over 18 and anyone over 18 who is financially responsible for an AU/BG member

In addition, explain the following to an AU that includes a pregnant woman:

- the right to apply and how to apply for TANF 45 days prior to the expected date of delivery
- continuous financial eligibility for the pregnant woman
- presumptive eligibility Medicaid process and how to apply at a public health facility and/or other qualified provider if the Medicaid eligibility determination for the pregnant woman cannot be made the same day that the application is filed.

**BASIC****CONSIDERATIONS****Other Information  
Requirements  
(cont.)**

Inform the A/R about the Medicaid program, verbally and in writing, by use of available information pamphlets or other printed materials.

Refer the A/R to other appropriate services such as family planning, Health Check and WIC as requested by the applicant or as determined by the agency. Refer to Chapter 2900, Referrals.

**Mandatory  
Forms**

Complete the mandatory forms below when processing a Family Medicaid application:

- Application for Assistance
  - Eligibility Determination Document or other written interview form
  - Form 297-A (**only** if Form 297 is used to apply).
  - Form 297-M Medicaid Addendum (**only** if Form 297 is used to apply).
  - Form 216- Declaration of Citizenship form
  - Form 5460- Notice of Privacy Practices (HIPAA)
- NOTE:** Notice of Privacy Practices and Form 297-A may be mailed to the applicant. The applicant is **NOT** required to sign and return either form, provided the case record is documented that the forms were sent.
- Form DMA-285, Third Party Liability Health Insurance Questionnaire, when the person has other health insurance coverage. See Section 2230 for TPL requirements.

**Exception:** A DMA-285 is not required for children in placement.

- [Form 138](#), Notice of Requirement to Cooperate and Right to Claim Good Cause for Refusal to Cooperate in Child Support Services (if a CSS referral is required)

**NOTE:** The Form 138 may be mailed to the applicant. The applicant is **NOT** required to sign and return the form, provided the case record is documented that the form was sent.

Complete any other forms as necessary depending on the COA and the A/R's circumstances.

Refer to Chart 2065.1 in this section.

**BASIC  
CONSIDERATIONS  
(cont.)****Disposition of the  
Application**

Determine if the AU meets all points of eligibility.

Process applications in chronological order, with the exception of Medicaid coverage for pregnant women, based on the following:

- date of application
- whether all information is available to determine eligibility

If eligible, approve the application, within 45 days, for all eligible months including retroactive and ongoing months. Process applications for pregnant women within 10 days to ensure early prenatal care.

**Notification**

Provide the A/R adequate written notification of the eligibility determination. Adequate notification includes the reason(s) for any action taken.

A duplicate notice may be provided to the PR upon request by the A/R. The applicant, however, must receive all notices regarding his/her case(s).

Notification must explain the following:

- the basis for the approval/denial/termination
- the period of eligibility
- the reason for the action
- the AU's right to request a fair hearing
- the telephone number of the county DFCS office
- the telephone number of legal services.

Generic denial reasons may be used as a secondary or tertiary denial/termination reason, but never as the sole reason for denial/termination.

**BASIC  
CONSIDERATIONS  
(cont.)****Standard of  
Promptness**

The eligibility determination for Family Medicaid COAs should be completed as soon as all verification is received. This should take no longer than the following time frames:

- 10 days from the date of application for pregnant women, regardless of COA
- 45 days for EMA-PgW
- 10 days from the date of report for newborns, regardless of COA
- 45 days from the date of application for all other Family Medicaid COAs

Calculate the SOP beginning with the date of application.

If the SOP date falls on a weekend or holiday, complete the application by the last workday **prior to** the weekend or holiday.

**Periods of  
Eligibility**

Approve Medicaid and continue eligibility as long as the AU continues to meet the requirements of the COA under which eligibility was approved. A Continuing Medicaid Determination (CMD) must be completed prior to denial or termination of any Medicaid COA. Refer to [Section 2052](#), Continuing Medicaid Determination.

**NOTE:** Certain COAs are time limited. Refer to Chapter 2100, Classes of Assistance.
