

**2132 – New Options Waiver (NOW) and Comprehensive Supports Waiver Program (COMP)**

<b>POLICY STATEMENT</b>	New Options Waiver (NOW)/ Comprehensive Supports Waiver Program (COMP) are classes of assistance (COA) designed to provide in-home and community based services to Medicaid eligible mentally retarded and developmentally disabled individuals who do not receive Medicaid benefits under a cash assistance program.
<b>BASIC CONSIDERATIONS</b>	<p>To be eligible under the NOW/COMP COA, an A/R must meet the following conditions:</p> <ul style="list-style-type: none"> <li>• The A/R is approved for waived services by an MHDDAD Regional Office.</li> <li>• The A/R is approved by an Intake and Evaluation Team (I &amp; E) for the MRWP/CHSS, evidenced by a completed DMA-6.</li> <li>• The A/R is placed in a NOW/COMP slot and is receiving MRWP/CHSS waived services.</li> <li>• The A/R meets the Length of Stay (LOS) and Level of Care (LOC) basic eligibility criteria.</li> <li>• The A/R meets all other basic and financial eligibility criteria.</li> </ul> <p>NOW/COMP Medicaid recipients receive certain <i>waivered</i> services, including the following:</p> <ul style="list-style-type: none"> <li>• Support Coordination</li> <li>• Community Access</li> <li>• Community Residential Alternative</li> <li>• Community Guide</li> <li>• Specialized Medical Equipment and Supplies</li> <li>• Environmental Accessibility Adaptation</li> <li>• Vehicle Adaptation</li> <li>• Community Living Support</li> <li>• Behavioral Supports Consultation Services</li> <li>• Financial Support Services</li> <li>• Professional Therapeutic Services (in and out of home)</li> <li>• Transportation</li> <li>• Adult Dental Services</li> </ul> <p>Respite services (including overnight), natural support training, and individual directed goods and services are applicable to the NOW Waiver only.</p> <p>Community residential alternative services are applicable to the COMP Waiver only.</p>

The individual determined suitable by the I and E Team for NOW/COMP is placed under support coordination (case management).

The Support Coordinator arranges for the provision of waived services to the recipient.

<b>BASIC CONSIDERATIONS (cont.)</b>	<p><b>NOTE:</b> The beginning date of Support Coordination (case management) is the same as the <b>enrollment date</b> for an A/R leaving an institution, and the same as the <b>date services begin</b> for an A/R already residing in the community.</p> <p>A/Rs who are coming out of an institution may receive Support Coordination for up to six months prior to placement in MRWP/CHSS and while they are still living in the facility.</p>
<b>PROCEDURES</b>	<p>Follow the steps below to determine ABD Medicaid eligibility under the NOW/COMP COA.</p> <p><b>Step 1</b> Accept the A/R's application, the Form 1008, NOW/COMP Communicator, and approved LOC instrument.</p> <p><b>NOTE:</b> After April 1, 2003, DMA-6s will no longer be completed by GMCF but by private vendors contracting with Mental Health. Instead of an actual DMA-6, it will be a mailer containing pertinent information. A new LOC instrument is required upon entry into NOW/COMP</p> <p><b>Step 2</b> If the A/Rs income includes SSI, STOP, deny application. SSI NOW A/Rs' claims are directly billed to DCH through the NOW agency.</p> <p><b>Step 3</b> If the A/R is institutionalized or resides in the community, and is ABD Medicaid eligible, schedule a review when information is received from the Support Coordinator or provider. Proceed to Step 6.</p> <p><b>Step 4</b> If the A/R is institutionalized or resides in the community, and is not currently eligible for Medicaid, schedule an initial interview when information is received from the Support Coordinator or provider.</p> <p><b>Step 5</b> Determine basic eligibility. Refer to Chapter 2200, Basic Eligibility Criteria.</p> <p><b>Step 6</b> Determine financial eligibility.</p> <ul style="list-style-type: none"> <li>• Refer to Chapter 2500, ABD Financial Responsibility and Budgeting.</li> <li>• Complete a Medicaid Cap Budget to determine income eligibility. Refer to <a href="#">Section 2510</a>, Medicaid Cap Budgeting.</li> </ul> <p><b>Step 7</b> Determine if the Length of Stay criteria is met. Refer to <a href="#">Section 2235</a>, Length of Stay.</p> <p><b>Step 8</b> The system will determine the A/R's Cost Share for NOW/COMP services. Refer to <a href="#">Chapter 2559</a>, Patient Liability/Cost Share. <b>The PNA is the same amount as the Medicaid Cap.</b></p>

**PROCEDURES  
(cont.)**

<b>Step 9</b>	<p>Approve if the A/R meets all eligibility criteria.</p> <p><b>NOTE:</b> Do not approve Medicaid under the NOW/COMP COA for any month prior to the month of either the NOW/COMP Enrollment Date or Date Services Begin listed on Form 1008, NOW/COMP Communicator, or prior to 2/1/94, the effective date of the NOW, or 10/1/97, the effective date of the COMP amendment.</p>
<b>Step 10</b>	<p>Complete Section III of Form 1008, NOW/COMP Communicator. Enter the Medicaid number at the top of the form. Send to the originating I &amp; E Team with a copy to the Regional Office(as noted on Form 1008). A list of Regional Office addresses and the counties they serve is found at the end of <a href="#">Section 2132</a>. The I &amp; E Team will complete the return address for the I &amp; E Team and the Regional Office. File a copy in the case record.</p>
<b>Step 11</b>	<p>Notify the A/R and any authorized representative of case disposition.</p>
<b>Annual Reviews and Specials</b>	<p>Effective March 1, 2002, all DMA-6 forms processed by the I &amp; E Teams for continued LOC will be completed on or before the birth date of the recipient. It will be valid until the following birth date, but not for longer than 365 days.</p> <p>A new LOC instrument will not be required at annual review unless the review month coincides with the recipient's birth month. Otherwise, a LOC instrument received in the birth month of a recipient is to be treated as a special review.</p>
<b>SPECIAL CONSIDERATIONS</b>	<p>The NOW/COMP COA requires one specifically designated form, a Form 1008, NOW/COMP Communicator. The Communicator must be reproduced locally. A copy of Form 1008 is found in Appendix F.</p> <p>The NOW/COMP Communicator functions much like the Community Care Communicator (CCC). The form is initiated by the I &amp; E Team completing the following sections:</p> <ul style="list-style-type: none"> <li>• The top section, with all identifying information except the Medicaid number, unless the A/R is already a Medicaid recipient.</li> <li>• Section I</li> <li>• Section II</li> <li>• Section IV</li> <li>• Section V should include the I &amp; E Team's address.</li> </ul>
