**BASIC
CONSIDERATIONS
(cont.)**

Reviews are completed by one of the following methods:

- alternate review
- standard review

NOTE: A face-to-face (FTF) review is **not** required for any Medicaid COA. At the EW's discretion or the request of the A/R or PR, a FTF review may be scheduled; however, a Medicaid case may **not** be closed for failure to appear for a FTF review.

**Alternate
Review**

An alternate review is completed by mail and/or by telephone.

An alternate review notice must contain the following information:

- that a review is necessary to continue eligibility
- an alternate review form (system or manually issued)
- the date the alternate review form is due
- the consequences of failing to comply with the review
- the AU's responsibility to provide all required verification
- the AU's right to request a fair hearing
- the address of the office completing the review
- the name and telephone number of the EW

A Medicaid AU that fails to return the alternate review form, or that returns an incomplete and/or unsigned review form, may be contacted by phone to complete the review requirements. If missing information is obtained by telephone or other contact, the review is considered complete. Document case to this effect.

**Standard
Review**

A standard review is an in-depth FTF interview in which all points of eligibility are examined with an appropriate AU or BG member or a personal representative (PR)

A standard review is not required for any Medicaid COA. A Medicaid case may **not** be terminated for failure to appear for a standard review.

A standard review appointment notice must include the following:

- that a review is necessary to continue eligibility
- that a FTF review is **not** required for continued eligibility and that an alternate review may substitute for a FTF review
- the date, time and location of the interview
- the AU's responsibility to provide all required information
- the AU's right to request a fair hearing
- the name and telephone number of the EW
